Providing
a dignified
farewell to your
beloved pet

Peaceful Paws – Because we care about providing a dignified farewell to your beloved pet.

As pet owners ourselves, we understand the special bond that exists between a person and their pet. *Losing a pet is like losing a member of the family. Peaceful Paws provides a dignified farewell to your beloved companion.*

What is Cremation?

Cremation is the process by which the body is exposed to extreme heat. This process reduces the body to its basic elements. These elements are referred to as the “cremated remains” or “cremains.”

What Cremation Options are Available?

We offer the following options: *Group*, *Private* or *Individual* Cremation. The cost of a *Private* or *Individual* cremation includes:

- A Cedar Urn
- Hand Made Paw Print
- Personalized Certificate of Cremation
- Pet Loss Resources

You will be contacted by your veterinarian when your urn is ready to be picked up.

What Happens if I Choose the Group Cremation Option?

With group cremation, the cremains are scattered at sea as a final tribute to your pet.

Custom Urns

You may choose from a wide variety of custom urns as a final resting place for your beloved pet. Please visit www.dogurn.com, Store ID 92024. Urns will be delivered directly to our facility for packaging and returned to you via your veterinarian.

Pre Planning

The loss of a pet is a painful experience for you and your family. Most individuals or families will find that decision making is difficult at the time of loss. By making arrangements in advance, you are able to achieve peace and focus on what counts most - your beloved companion.
