

Into The Sunset is pleased to now offer...

## Pet Loss Support Group Sessions

3rd Wednesday of every Month

Moderated by: Dee Crimmel

Dee is a Midwestern girl at heart. Hailing from Akron, Ohio, Dee and her husband relocated to California to be closer to family and to make their home in San Diego.

Dee's career in chaplaincy began in Tulsa, Oklahoma where she obtained her Masters of Divinity.

Dee's warmth and compassion has helped thousands of families during very difficult and highly emotional circumstances. It is her belief that bearing witness to the final breath of life is an intimate and sacred experience. She spent the next 4 years in hospital chaplaincy and has spent the past 11 years in human hospice care.

She is looking forward to assisting families who are dealing with anticipatory grief and post loss grief. She herself has experienced the gift unconditional love from her beloved cockateel Swedee and is the first to admit the loss was extremely difficult.

Dee is married and mother to a teenage son. Her pet family includes Mindee, a West Highland Terrier. During her free time, Dee enjoys spending time with Mindee at the dog park.

**We encourage you to bring a photo or special memento of your beloved pet. These sessions are a complimentary service to your families from Into the Sunset Pet Transition Center.**

Facing life's inevitable goodbyes are difficult and often isolating. Grief does not only begin after the loss of a pet. Anticipatory grief begins at terminal diagnosis or the realization that euthanasia may be near.

Our pet loss support group will offer families:

- The opportunity to discuss their emotions in a warm and compassionate environment.
- Focus on the intricacies of loss and the adjustment to a "new" normal.
- Explain the emotion of grief and strategies and offer coping strategies.

Group sessions are moderated by a loss support expert
